

Resolution: 18-87
Introduced: March 31, 2015
Adopted: March 31, 2015

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

By: County Council

SUBJECT: Extend the Time for Council Action for Approval of Declaration of No Further Need: Disposition of Montgomery County Service Park East, known as Jeremiah Park, 16000 block of Crabbs Branch Way, Gaithersburg, Maryland (current site of Montgomery County Public Schools' Shady Grove Transportation Depot)

Background

1. Montgomery County Code §11B-45 requires the Council to approve a Declaration of No Further Need before the County Executive can dispose of real property that has more than nominal value. Prior to seeking Council approval of a Declaration of No Further Need, the Executive must:
 - (a) submit all material terms of the proposed disposition and any appraisal the Executive relied on in setting the property's market value to the Council; and
 - (b) publish a declaration in the County Register and post a notice on the County website that the County has no further need for the property.

The Council must act on the Declaration of No Further Need within 60 days of receiving the Declaration or it is automatically approved. The Council may extend the 60-day deadline by resolution if the Council President has informed the Executive, within 30 days of receiving the proposed action, that the Council has not received all information necessary to review the proposed action.

2. On January 27, 2015, the Council received a summary of the Executive's recommended material terms for the disposition of the County Service Park West. The Executive recommends a sale of the property and redevelopment in accordance with the vision of the Shady Grove Sector Plan. On February 23, 2015 the Council forwarded comments and questions on the material terms.
3. On February 12, 2015 the Council received Executive Order 016-15, Disposition of Montgomery County Service Park Jeremiah Park. This is the County Executive's Declaration of No Further Need.

4. On February 26, 2015 the Council President informed the County Executive that the Council may need to extend the time for consideration in order to make sure there are interim and permanent plans for relocation of the MCPS Bus Depot functions, to consider testimony from the public hearing, and to consider responses to the Council's questions on the material terms.
5. The Government Operations and Fiscal Policy Committee and Education Committee met jointly on March 30, 2015 and recommended that the Council extend the time for action on the Executive's Declaration of No Further Need.

The County Council for Montgomery County, Maryland approved the following resolution:
